WHAT IS
QUIZ, PLEASE!
EXACTLY?

QUIZ, PLEASE! AND YOUR EVENT ARE DESTINED FOR EACH OTHER!

Quiz, please! is a perfect team building option:

People unite within their teams, learn to listen and hear each other, work in a team and reach to a common goal.

Guests of all genders, religions and ages will be involved in the game. And there is no doubt they will take a great interest in it (speaking from a vast experience).

The game itself will not interfere with you banquet in any way- you can (and should) enjoy you meals and drinks during the game.

We are ready to come up with a thematic round for a given client theme and arrange the elements of the game in accordance with the brand book of the client.

RULES OF THE GAME

7 rounds, 2 hours per game and 2 breaks (timing, number and duration of breaks, as well as the nature of the rounds can be adjusted at the request of the client).

Questions will have various and completely different topics - from Leonardo DiCaprio to dinosaurs (we will select question complexity in accordance with the wishes of the client).

Before the game starts, we divide the guests into teams. It's even more convenient to play the game during a banquet, because usually each table is a ready-made team.

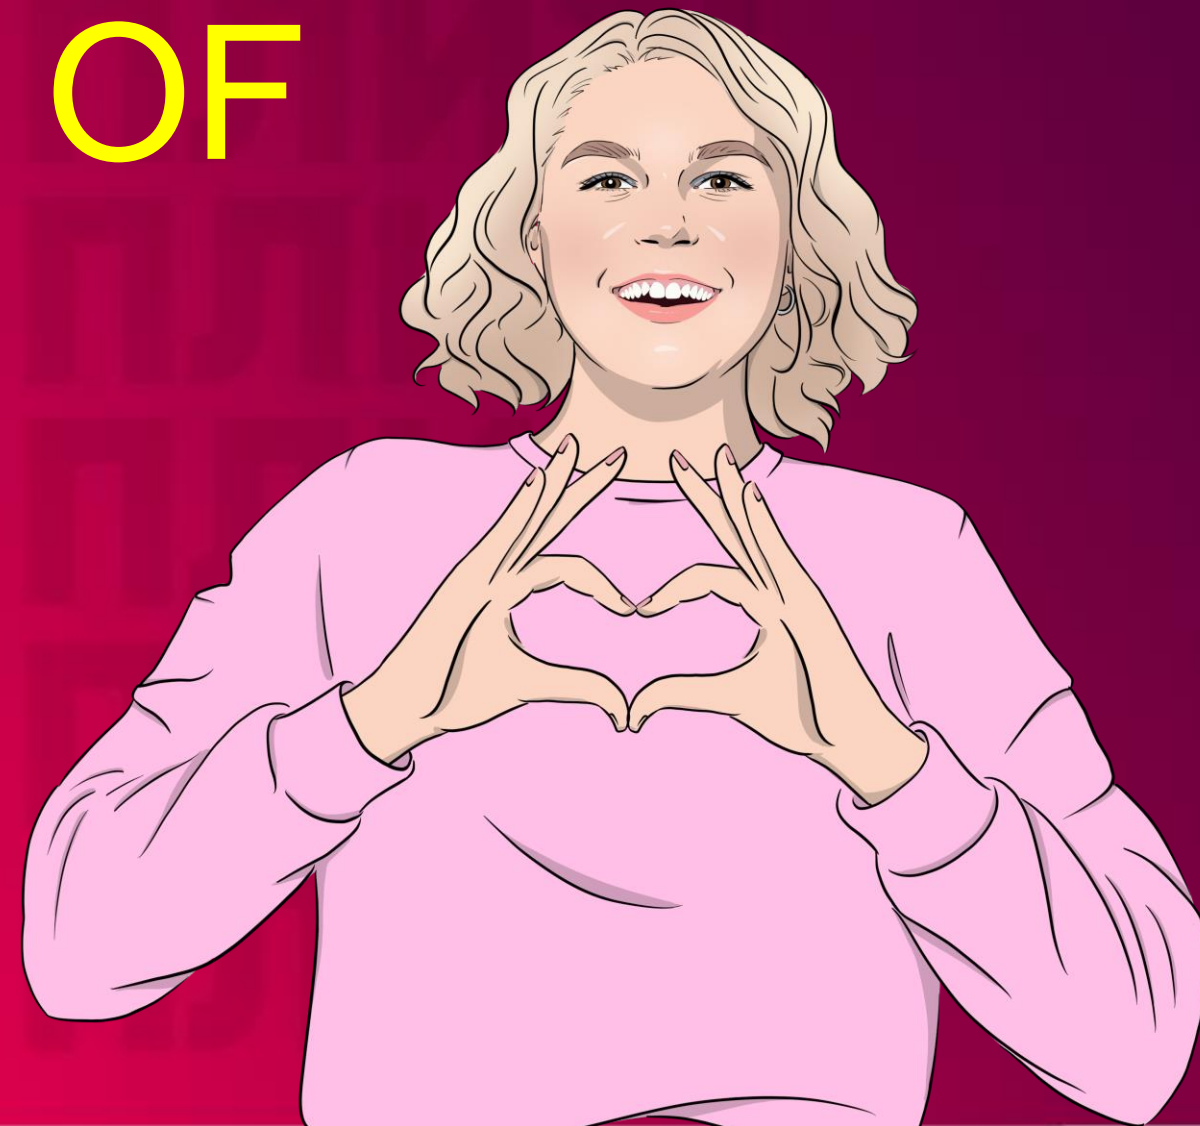

Answers are to be written on a special form sheet that our entrusted helpers (the quizmen) collect after each round. Teams receive points for each correct answer.

Whoever has the most points - wins!

At the end of the game, the awards ceremony awaits the guests.

WE WILL
ADJUST THE
GAME TO THE
FORMAT OF
YOUR
LIKING!
